

FOSTERI

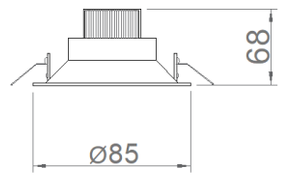

05321

Fosteri is a professional spotlight solution developed for accent lighting applications, featuring a compact Ø85 mm housing and a directional optical system. Its movable inner housing allows the light to be directed to the desired point, highlighting architectural details, products, or specific surfaces.

The 33° light output angle creates controlled and focused lighting, providing an effective accent effect. Its deep optical structure and compact design enhance visual comfort while creating a simple and aesthetic look on the ceiling. Its directional structure makes it easily adaptable to changing spatial needs in shops, hotels, galleries, museums, residential projects, and commercial spaces.
