ADELLA-K

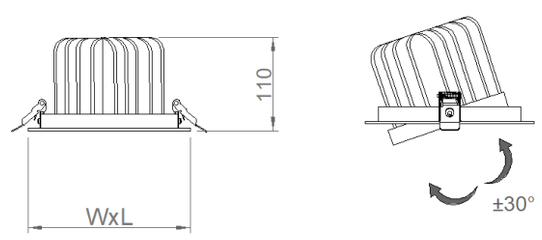

52682

Adjustable Square Spot Fixture

The Adella-K Series offers high durability and effective heat management thanks to its aluminum injection molded body and frame structure. With K1 and K2 module options, it adapts to different lighting needs, while its adjustable spotlight structure, which can move around its own axis, allows for precise light targeting.

Ideal for shops, offices, hotels, galleries, and commercial spaces, Adella-K combines aesthetics and performance in accent and general lighting applications with its various light angles and color temperature options.
