

BEAM-S

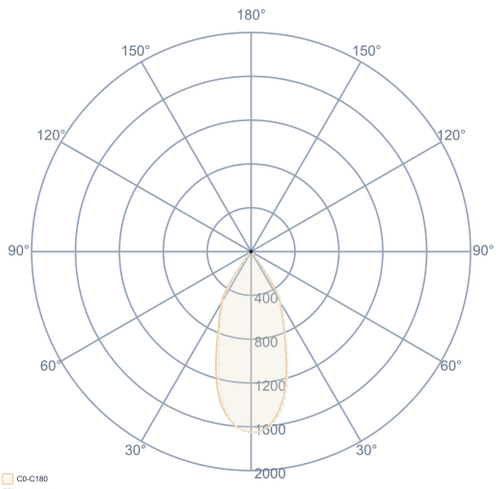

06602

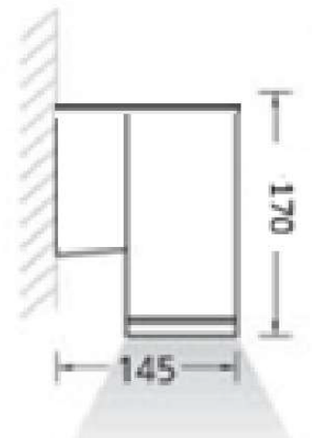

Simple Form, Unidirectional Light

Beam-S is an outdoor LED wall sconce that can be mounted on wall surfaces. Its modern cylindrical design and simple appearance offer an aesthetic lighting solution that highlights architectural details in residential, hotel, commercial building, and landscape projects. Offering high light quality with COB LED technology, Beam-S provides long-lasting and reliable performance in challenging outdoor conditions thanks to its aluminum profile and injection molded body, electrostatically powder-coated surface, and IP65 protection class.

It creates accent lighting on facades, columns, entrances, landscape elements, and architectural surfaces. Available in black, white, and anthracite, it adapts to different architectural concepts, combining aesthetics and functionality.

RAL 9016 RAL 9005 RAL 7016

General Information		Electrical Info		Lighting Technology	
Housing	Cast Aluminum	**Power**	8-12W	**Light Output Angle**	43°
Optics	Polished Reflector	**Power Factor**	>0.95	**UGR Value**	UGR ≤ 25
Glass	Tempered, Clear Glass	**Light Source**	COB LED	**CRI [Ra]**	CRI ≥ 80
Paint	Electrostatic Powder Coating	**Cabling**	Halogen-Free	**Color Bin Value**	Mc Adams ≤ 3
Insulation Class	Class I	**Input Voltage**	220-240V AC / 50-60 Hz		
Product Dimensions [mm]	Ø90x180(H)x135(L)	**LED Driver**	Constant Current		
Mounting Type	Surface	**Ambient Temperature**	-20°C / +50°C		
		LED Lifetime L70	>60.000 Hour		

Optional
DALI / 1-10V
CRI>90 , 2700K~6500K , Tunable White
Emergency Lighting Unit
