

MIRROLINE

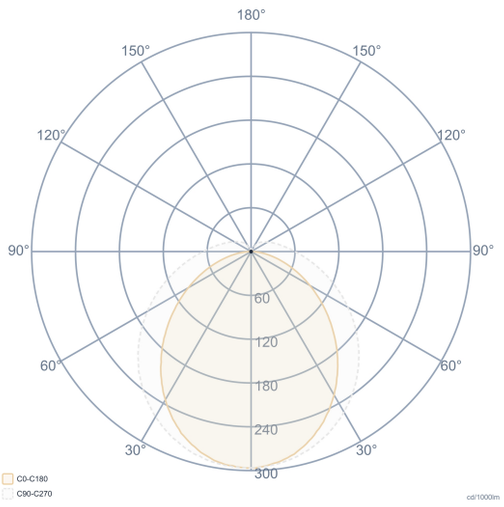

01180

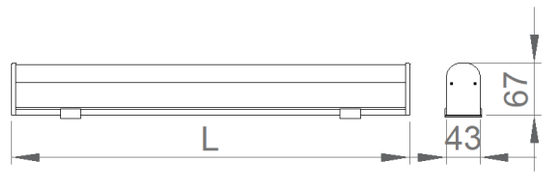

Mirror-mounted and wall-mounted lighting

Mirroline is a modern wall-mounted lighting fixture designed specifically for applications above mirrors, washroom areas, hotels, residential projects, and social spaces. Thanks to its aluminum body and opal diffuser, it offers a homogeneous, soft, and comfortable light distribution.

With its surface-mounted and flush-to-wall mounting structure, the product provides a simple and aesthetic appearance. The concealed electrical connection from the rear body ensures a clean installation detail. Its compact design, easy installation, and modern look combine functionality and aesthetics in bathrooms, hotels, hospitals, corridors, and decorative wall applications.
