### Recessed - Emergency Exit Fixture

Escape Recessed Mounted is a flush-mounted directional luminaire designed to provide safe evacuation guidance in emergencies while maintaining architectural integrity. Its foil-printed acrylic lens and transparent plexiglass panel structure ensure clear visibility of escape directions even from long distances. Thanks to its built-in battery system, it continues to operate even during power outages, providing reliable guidance in emergencies.

Suitable for use in offices, hospitals, shopping malls, hotels, educational institutions, and all public buildings, Escape Flush-Mounted is an ideal emergency exit solution that combines high visibility, aesthetic design, and safety requirements.
