30x120 Surface Mounted Panel Luminaire

Flat-T 1230 is a professional panel lighting solution developed for special projects, featuring a metal sheet housing and surface mounting. It offers flexible solutions to meet architectural design requirements, thanks to its ability to be produced in custom sizes as well as standard dimensions. Its surface mounting structure provides a practical and aesthetically pleasing alternative in applications where there is no suspended ceiling space.

With its 30x120 cm dimensions, it is particularly preferred in offices, educational buildings, healthcare facilities, commercial areas, and corporate projects. It adapts to project-specific lighting scenarios with various power, color temperature, and control options.
