30x30 Surface Mounted Panel Lighting Fixture

Flat-T 300 offers a professional panel lighting solution in compact dimensions with its metal sheet housing and surface mounting form. Its surface mounting design provides a practical solution for applications where there is no suspended ceiling space. With its 30x30 cm dimensions, it is an ideal choice, especially for small spaces and modular ceiling applications.

It is preferred in offices, corridors, educational buildings, healthcare facilities, social areas, and commercial projects. With different power, color temperature, and control options, it adapts to project-specific lighting scenarios. Its compact dimensions, high visual comfort, and modern design offer both functionality and aesthetics.
