

ICON IP65

06152

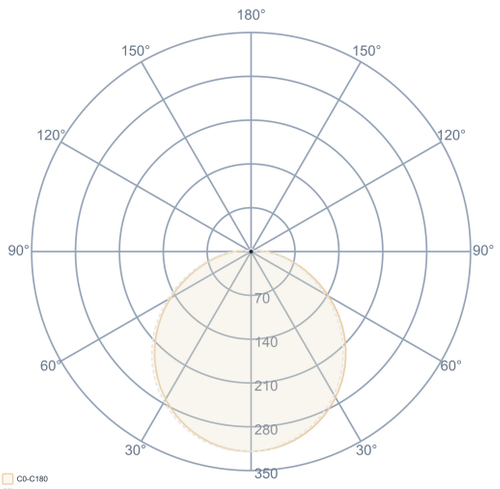

Round PC Waterproof

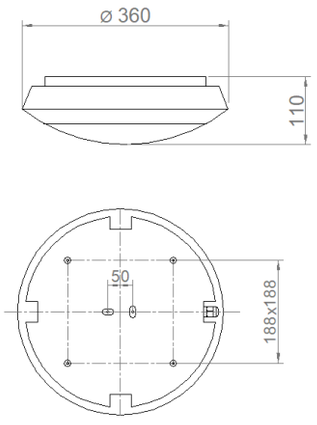

The IP65 Icon lighting fixture is a compact, watertight lighting product with a simple design and high level of protection. Its UV-resistant PC injection molded body and opal polycarbonate diffuser offer both durability and visual comfort. With IP65 protection class and IK08 impact resistance, it provides reliable performance in dusty, humid, and harsh environmental conditions. The opal diffuser, which creates homogeneous light distribution, reduces glare, offering a comfortable lighting experience.

It stands out as a long-lasting and economical lighting solution for corridors, stairwells, technical rooms, parking lots, social areas, and general use spaces.
